391158 (E9WTNDN000)   Ambient WorkTop with closed front, 1/2 module

Main Features
- Heavy duty internal frame in Stainless steel.
- Unit to be installed on other 900 line bases.
- Right angled side edges eliminate gaps and possible dirt traps between units.
- Suitable for countertop installation.

Construction
- Stainless steel top provides a heavy duty work surface under any load.
- Unit is 930 mm deep to give a larger working surface area.

Short Form Specification

Item No.

To be installed on 900XP refrigerated base, open base cupboard, bridging supports or cantilever systems. Constructed in stainless steel with Scotch Brite finish. Worktop in 20/10, stainless steel. Right angled side edges eliminate gaps and possible dirt traps between units.

APPROVAL:
